## CFA SUMMER READINESS

Summer readiness is the theme for two twilight social gatherings planned by the Country Fire Authority for Warracknabeal district residents in October and November. The first twilight event will be at at Sheep Hills Hall on Sunday, November 6, also from 5pm to 7pm. This day is for Wilkur South, Bangerang, Boolite, Sheep Hills and Agreegra brigade members and their families and other district residents.

The second day will be Brim Sports Centre at the town's recreation reserve on Sunday, November 13 from 5pm to 7pm. The day is open to all members and families of the Brim, Lah, Willenabrina, Crymelon and Cannum brigades as well as other residents of these districts. The days include a free barbecue and activities for children with smoke machine, games, colouring books and give-aways. Fire officers will also have fire trucks available for inspection.

The days are part of the CFA's Fire Ready Victoria program. The days will promote the message that less than average rain has again left the region dry. Fire fuel supplies were expected to increase with warmer weather.

The days would also allow district people to meet together in a social setting before they became too busy with end of year harvest and other activities.
