9.2.2022

To Whom It May Concern,

Member of Wheatlands Warracknabeal Agricultural Machinery Museum wish to thank Yarriambiack Shire Council for resurfacing the tarmac at the Museum. We thought it would never happen. However we are really pleased that it has been done. It looks terrific and will now be wonderful to highlight parades and displays that we have, particularly if we can hold a Rally.

Please pass on our thanks to any Shire employees who had anything to do with the resealing. We appreciate their wonderful work.

Thank you again.

Yours sincerely,

Lesley Stephan
