DISCUSSION

At the 23 June 2021 Ordinary Council meeting, the Yarriambiack Council Plan 2021-2025 was adopted. Embedded in the Council Plan is an annual Action Plan to be reviewed each year of the four-year plan and to be reported on quarterly to Council to ensure that the overarching strategic objectives are met.

It is expected that the third quarterly report against the Action Plan in May will coincide with a renewed Council Action Plan.

RELEVANT LAW

The *Local Government (Planning and Reporting) Regulations 2020* sets out in the Schedule 1 Appendix that a six-monthly report of operations against the Council Plan objectives be undertaken by Council. Yarriambiack Shire Council Performance Reporting Framework sets a quarterly reporting schedule against the Council Plan for the month following the financial and non-financial quarterly report.

12.2 Sale of Dwelling at 51 Gardiner Street, Warracknabeal

Prepared by Tammy Smith, Acting Chief Executive Officer

SUMMARY

Council consulted with the community during the month of February and March 2021 in relation to the sale of property at 51 Gardiner Street, Warracknabeal. A Council resolution was adopted on the 24 November 2021 to engage a real estate agent for the purpose of selling the property.

RECOMMENDATION

That Council:

- a) Endorse the Acting Chief Executive Officer to negotiate the sale of 51 Gardiner Street Warracknabeal; and
- b) Sign contract documentation on behalf of Council to endorse the sale of the property.

ATTACHMENTS

DISCUSSION

In 2020 Council completed a valuation program of all Council owned buildings and land across the municipality. It was identified that the property at 51 Gardiner Street Warracknabeal was surplus to Council requirements and was leased to a private third party for market value.

The house has not been occupied by Council senior staff for several years and is need of significant modernisation investment.

Due to being surplus to requirements, consideration was made to sell the dwelling.

Council held community consultation about the sale throughout February and March 2021. One verbal query was made in relation to the sale at a Warracknabeal Council Plan community consultation session in relation to having housing to attract staff – it was explained that the house would not be suitable to attract executive staff without significant renovation investment.

A written submission was received from the tenant requesting that they be permitted to remain in the property until they could find a new property to rent or purchase. This was agreed by Council and the tenant remained in the property until October 2021. The property is now vacant, and it was recommended that it be sold.

A valuation of the property has been undertaken and a Council endorsed resolution supported a licensed real estate agent being engaged to sell the property.

An offer has been received on the property above the valuation and has been accepted by the Acting Chief Executive Officer.

RELEVANT LAW

Council is required to comply with the *Local Government Act 2020*, part 4, division 4, which came into effect from 01 July 2021 requiring deliberative community engagement on the sale of land and assets. The community consultation methodology used was similar to the previous Act Section 223 requirements whereby it was advertised in the locally circulating newspapers inviting submissions for consideration.

COUNCIL PLANS AND POLICIES

Council's Asset Lifecycle Policy and Procedures outlines the process Council must adhere too when selling property and land.

AGENDA	Ordinary Meeting of Council
Issue Date: 23 February 2022	

RELATED COUNCIL DECISIONS

27 January 2021 Ordinary Council meeting decision to advertise the potential sale of the land and invite submissions.

24 November 2021 Ordinary Council meeting decision to sell the property via a licenced real estate agent.

OPTIONS

The Council could choose to not endorse the Acting CEO to negotiate the sale of the property on Council's behalf. However, untimely decision making could delay or impact the sale of the property.

SUSTAINABILITY IMPLICATIONS

The proposed sale of the land and buildings would provide a positive benefit to the Warracknabeal community providing a social and economical benefit as there is currently limited houses available on the market within the township.

The sale of the land and buildings would provide a financial benefit to Council along with reducing the requirement to allocate staff and contractor hours and services to maintenance regimes.

Funds from the sale would be reinvested into future community housing propositions.

COMMUNITY ENGAGEMENT

Council consulted with the community by requesting feedback on the proposed sale of the property via our Website, Facebook page and newspaper advertisements.

DISCUSSION

On the 22 December 2021, a complaint was received from a Minyip resident regarding a Rooster crowing through the night and into the early hours of the morning. This Rooster was allegedly being kept at 35 Main Street Minyip.

The following day, an inspection at 35 Main Street, Minyip was conducted where the Rooster was kept (at the back of the Commercial Hotel). The resident was notified that under the Yarriambiack Shire Council Local Law the resident would need to apply for a permit to keep the Rooster.

The resident explained that he had the Hamburg Rooster since he lived at his previous residence a few years ago, and that the rooster was kept for breeding purposes. He only brought the one rooster with him, when he moved to Minyip last year.

RELEVANT LAW

Yarriambiack Shire Council General Local Law No.5 Clause 416 – Keeping Bees & Roosters.;

- (1) A person must not without a permit keep or allow to be kept any beehive or roosters within a township area or on land zoned Residential 1, Low Density Residential or Township under the Yarriambiack Planning Scheme.
