Dear Tammy,

Thank you for your letter in reply to my email dated October 12 2022

Your assurance that if we leave the damaged green in its present state and not undertake any repairs, maintenance or upgrades to this said damaged green, you would recommend to your councillors that funds of \$97,166,66 will be held as an investment until such time as the Hopetoun Bowls Club's present synthetic green requires upgrading

. At our meeting dated October 25th, our board passed a motion that:

"After much discussion, negotiation and consideration of forward planning, we agree to close the second grass green of the Hopetoun Bowls Club."

Moved Daryl Burdett

Seconded Judy Fisher

Carried unanimously.

As well, providing us with a copy of this formally endorsed document by the Yarriambiack Shire will give our club assurance that such funds will be accessible at such a time in the future.

We thank you for your continued cooperation, hard work and understanding over a long period of time, from the end of October last year until now and look forward to moving forward re: the finishing of the fence. We would like to be involved in discussions as to where the fence is constructed as we have sheds on this site.

Kind regards

Robyn Bellinger
