Chapter 1 – Councillor Professional Development Policy

1 Objective

The *Local Government Act 2020* requires Councillors to undertake professional development training at least once annually, beginning in the first full calendar year after being elected. All Councillors must satisfy the obligations set out in the Local Government (Governance and Integrity) Regulations 2020 during the duration of their council term.

Professional development training must be completed by 31 December each year, except for an election year when it must be completed by 01 September.

The purpose of this policy is to enhance good governance across Council by providing high-quality learning and development programs for Councillors. It aims to foster the professional leadership development of Councillors and improve their individual knowledge and skills.

2 Responsibility

Councillors are required to adhere to the policy and program. The Councillor Conduct Officer (Chief People and Culture Officer) is responsible for implementing the policy and program.

3 Policy Statement and Scope

Councils benefit from ensuring councillors are well trained in their legislative obligations, principles of good governance, compliance with codes of conduct, conflicts of interest and other transparency disclosures and accountabilities.

Councillor professional development commences prior to nomination and continues throughout the four-year term as an elected representative, with a combination of mandatory training prescribed by legislation and discretionary training identified as necessary to the council or councillor.

The *Local Government Act 2020* requires that all Councillors undertake candidate training prior to election (section 256(7)), induction training upon their election (section 32) and ongoing professional development training throughout their term (section 33A). Further, the Mayor and Deputy Mayor are required to undertake additional training upon their appointment to that role (section 27A).

The Local Government (Governance and Integrity) Regulations 2020 prescribe the matters that must be included in this training.

For the Mayor and Deputy Mayor, the prescribed matters are:

- Roles and responsibilities;
- Chairing meetings;
- Engagement and advocacy;
- Leadership; and
- Any other matter relating to the role of the Mayor which the Chief Executive Officer has determined should be addressed.

For all councillors (for both induction and ongoing professional development), the prescribed matters are:

- Working together in a Council;
- Decision making, integrity and accountability;
- Community representation;

- Strategic planning and financial management;
- Conduct;
- Land use planning; and
- Any other matter relating to the role of a councillor which the chief executive officer has determined should be addressed.

4 Mayoral Induction Program

Upon election to the office of Mayor or Deputy Mayor, the Chief Executive Officer shall provide the Mayor and Deputy Mayor with a program of professional development activities which, if completed within one month after their election as Mayor or Deputy Mayor, will satisfy each Councillor's obligation under section 27A(1) of the *Local Government Act 2020*.

The Mayoral Induction Program may be the same for both Councillors, or may differ between Councillors depending on identified learning needs.

The Mayoral Induction Program is subject to change and may be altered by the Chief Executive Officer with reasonable notice provided to Councillors.

Participation in the Mayoral Induction Program is mandatory for the Mayor and Deputy Mayor.

5 Mandatory Candidate Training

Prior to the opening of nominations for Local Council Elections, the Chief Executive Officer will ensure information is provided on the Council website about the process of nomination for election as a Councillor, including the requirement all candidates undertake mandatory candidate training prior to nomination.

The completion of mandatory candidate training is a prescribed requirement under section 256(7) of the *Local Government Act 2020*. Mandatory candidate training is developed and delivered by Local Government Victoria via an online module.

All candidates must provide proof of completion of the training to be eligible for nomination.

6 Candidate Support Program

Councils may provide a candidate support program to assist new and potential candidates in developing an introductory understanding of the following matters:

- The local government election process.
- Processes and procedures of nomination.
- Local government legislative and policy fundamentals.
- Codes of Conduct and other forms of accountability.
- Professional Development Mandatory Training requirements.
- Day to day life as a Councillor.

7 Councillor Induction Program

Upon election, the Chief Executive Officer shall provide all Councillors with a program of professional development activities which, if completed within four months of taking the oath or affirmation, will satisfy each councillor's obligation under section 32(1) of the *Local Government Act 2020*.

The Councillor Induction Program may be the same for all Councillors or may differ between Councillors depending on identified learning needs. The Councillor Induction Program is subject to change and may be altered by the Chief Executive Officer with reasonable notice provided to councillors.

Participation in the Councillor Induction Program is mandatory.

8 Regular Councillor Professional Development Program

Each calendar year, the Chief Executive Officer shall provide all Councillors with a program of professional development activities which, if completed during that calendar year, will satisfy each Councillor's obligation under section 33A(1) of the *Local Government Act 2020*.

The Councillor Professional Development Program must include:

- Any training that is outlined under the *Local Government Act 2020* as mandatory; and
- At the discretion of the Chief Executive Officer any additional professional development training or activities that they determine to be relevant and important to the professional development needs of their individual Council.

The Councillor Professional Development Program must include:

- Training on the matters prescribed under regulation 6A(2) of the Local Government (Governance and Integrity) Regulations 2020; and
- Any matters determined by the Chief Executive Officer under regulation 6A(2)(g) of the Local Government (Governance and Integrity) Regulations 2020.

The Councillor Professional Development Program may be delivered by:

- In-house training to a Councillor group (by an external subject matter expert, training provider or by a Council Officer who is a subject matter expert in that area);
- Completion of online training modules;
- Self-directed learning by way of webinars, videos, podcasts or similar.
- Attendance at an external training event, seminar or conference;
- Completion of a recognised qualification; and/or
- Other activities deemed suitable by the Chief Executive Officer.

The Councillor Professional Development Program may be the same for all Councillors or may differ between Councillors depending on identified learning needs.

The Councillor Professional Development Program is subject to change and may be altered by the Chief Executive Officer with reasonable notice provided to Councillors.

9 Other Professional Development Training

Additional professional development training will be provided as needed. For instance, training related to the Budget will be conducted during the annual budget review and adoption process, while strategic planning training will be offered when the Council Plan is being reviewed and adopted. The Chief Executive Officer will organise and determine the suitability of other professional development training as required.

Furthermore, each year, the Mayor and Chief Executive Officer will attend the Australian Local Government Association (ALGA) conference in Canberra, typically held around June or July. This conference provides an invaluable opportunity for networking, learning, and sharing best practices with peers from other Councils across Australia.

10 Resourcing Councillor Professional Development

The Councillor Professional Development Program will be funded within the Council's annually adopted Budget.

11 Councillor Participation

Participation by Councillors in the Mayoral Induction Program, Councillor Induction Program and Councillor Professional Development Program is required to satisfy sections 27A(1), 32(1) and 33A(1) of the *Local Government Act 2020* respectively. Every effort shall be made by Councillors to participate in the training programs.

The Chief Executive Officer must provide reasonable assistance to a Councillor to enable them to access the training programs.

Councillors shall notify the Chief Executive Officer without delay if they are unable to participate in any component of the training programs. The Chief Executive Officer will, to the extent practicable, make alternative arrangements to enable the training program to be completed (for example, by arranging a make-up training session to be offered to that Councillor).

12 Certification

Following each training program, the Chief Executive Officer will prepare a Training Certification Statement which sets out the training undertaken by each Councillor during that calendar year. The statement shall include for each element of the training program:

- The date(s) the training was undertaken;
- The prescribed matters included, with reference to regulation 4A, 6 or 6A(2) of the Local Government (Governance and Integrity) Regulations 2020;
- The detailed matters addressed; and
- The manner of delivery.

If the Training Certification Statement shows that all required elements have been completed, it shall be presented to each Councillor for certification. The Councillor must then make a written declaration that they have completed the training program by signing and dating the Training Certification Statement in the presence of the Chief Executive Officer.

If the Training Certification Statement shows that not all required elements have been completed, it may not be presented to the Councillor for certification until such time as the outstanding elements are completed.

If a Councillor fails to make the written declaration:

- For the Councillor Induction Program, four months from the taking of the oath or affirmation of office (subject to s32(4A) of the *Local Government Act 2020*);
- For the Mayoral Induction Program, one month from election as Mayor Or Deputy Mayor; or
- For the Councillor Professional Development Program, 31 December each year except for an election year when it must be completed by 01 September (subject to s33A(6) of the *Local Government Act 2020*);

the Chief Executive Officer shall withhold the payment of the Mayoral, Deputy Mayoral and/or Councillor allowance until such time as the relevant training program has been completed and the written declaration has been made.

The failure to make the written declaration by the deadline for any of the applicable training programs results in the withholding of the entire Mayoral, Deputy Mayoral and/or Councillor allowance (i.e. – a Mayor who fails to complete the Mayoral induction declaration but does complete the Councillor induction and Councillor professional development declarations will have their full allowance withheld – they do not 'revert' to receiving the Councillor allowance).

Upon the completion of the training program and the making of the declaration, payment of allowances shall resume, and any amounts withheld shall be paid.

Chapter 2 - Councillor Professional Development Program

13 Program Statement and Scope

A professional development program is a structured and continuous process aimed at enhancing and expanding the professional knowledge, competence, skills, and effectiveness of individuals in the workplace through targeted development activities. In local government, an effective professional development program ensures that Councillors address any skills or knowledge gaps, enabling them to make the best possible contributions to their communities.

Councillors have a duty to act in the best interests of the local community. To fulfill this responsibility, they must understand their role and grasp certain technical aspects, such as strategic planning, budgeting, and good governance. Professional development training is designed to enhance Councillors' skills by ensuring they comprehend their responsibilities and possess the knowledge and abilities needed to excel in their roles.

All Councillors must complete professional development training each year of their term, beginning in the year following their election.

The timing of professional development activities for Councillors will be planned to avoid overloading them with learning activities early in the Council term. This may involve staggering the delivery of training throughout the year. The schedule will reflect the knowledge and skills that Councillors and the Mayor need at different points in the term to effectively perform their roles.

For instance, Council will ensure that Councillors have gained the necessary knowledge and skills to effectively contribute to the review of the Council Plan and other strategic planning documents before these activities commence.

The Yarriambiack Shire Council's Councillor Professional Development Program has been developed around the following themes outlined regulation 6A(2) of the Local Government (Governance and Integrity) Regulations 2020.

The themes to be covered are:

- Working together in a Council;
- Decision making, integrity and accountability;
- Community representation;
- Strategic planning and financial management;
- Conduct;
- Land use planning; and
- Any other matters relating to the role of a Councillor which the Chief Executive Officer has determined should be addressed.

14 Councillor Professional Development Program 2024-2028

The Councillor Professional Development Program 2024-2028 (the Program) is subject to change based on availability and its effectiveness in each respective year. The Program serves as a preliminary framework for scheduling training and development activities.

In relation to the ongoing professional development training for Councillors, the mandated modules under regulation 6A(2) of the Local Government (Governance and Integrity) Regulations 2020 will be conducted annually during August and/or September.
