7 Legislative Context

BACKGROUND

A duty of care exists at all times the child is attending a children's service. In addition, the service has a duty of care to a child while they are on the premises, even if they haven't yet been signed into the service or has been signed out of the service and is legally under the care and supervision of the parent/guardian (refer to Supervision of Children Policy).

The child may only leave the service if the care of a parent/guardian, authorised nominee or a person authorised by one of these parties to collect the child. An authorised person does not include a parent who is prohibited by a court/parenting order from having contact with the child. An exception is made in the event of a medical or other emergency (refer to Incident, Injury, Trauma and Illness Policy and Emergency and Evacuation Policy) and for excursions (refer to Excursions and Service Events Policy).
