

# Commitment Charter

Our organisation **Yarriambiack Shire Council** commits to being a member of the Grampians CoRE (Communities of Respect and Equality) Alliance.

**We believe in a safe, equal and respectful society for everyone.**

**We believe that our communities can be better places to live, if we take action to promote change.**

**This means that violence against women is considered unacceptable by any standard or measure.**

**This means that the main driver of violence against women – gender inequality – will not exist.**

## **We will undertake activity to:**

- address gender inequality in our organisation and collectively with the CoRE Alliance
- increase our ability to challenge sexism, discrimination and gender stereotypes
- work collaboratively with CoRE Alliance partners to build momentum, gain strength and share knowledge, resources and ideas
- communicate what is working and what isn't and monitor our progress
