RUPANYUP:

Located on the Dunmunkle Creek, the town was first known as Lallat but by 1876 had become known as Rupanyup, an aboriginal word meaning "branch hanging over water".

Rupanyup provides a range of services and facilities including a supermarket, Post Office, bank, service station, hardware and a hotel.

In addition, there is an extensive range of sporting facilities, a Men's Shed, and other specialty shops.

In 2017, Julia Volchkova completed the huge mural of local sporting youth from the Rupanyup Football and Netball Club as part of the Silo Art Trail.

Rupanyup is a very welcoming and vibrant community. Come stay and enjoy!
