RE: Portable Toilet Block at Hopetoun Recreation Reserve

On behalf of the Southern Mallee Giants Football/Netball Club I would like to endorse the Southern Mallee Kart Club utilising the portable toilet block at the Hopetoun Rec Reserve.

As a club, we have not made use of the toilet block for over 4 years. We have had them locked during that period with the idea of preserving them in the hope they could be an asset at another location for a local community club.

The Southern Mallee Giants Football/Netball Club fully support the SMKC in removing the toilet block and re-commissioning them at their Plumpton Road track.

Regards,

Nicki Bellinger
