Dear Belinda

WARRACKNABEAL FAUNA PARK- APPROVAL IN PRINCIPAL – 17B LICENCE

I refer to previous correspondence seeking approval to proceed with a proposed 17B licence with Warracknabeal Lions Club and wish to advise that "Approval in Principle" has now been granted.

Please prepare a draft licence with the proposed licensee including the specific terms and conditions using the departments 17B licence template. The draft licence should then be submitted to the department for review.

On advice from the Department, you can then proceed to prepare final licence documents for execution by all parties. Please provide electronic version of final licence document along with email addresses for each party so that the documents can be executed via electronic signature. If any of the parties do not have an email address, please provide the executed documents in triplicate for approval by the Department.

If you have any questions in respect to this matter, please contact Mel Douglas on 0436 690 238 or via email at publicland.grampians@delwp.vic.gov.au

Yours sincerely,

Mel Douglas
Program Officer
Land & Built Environment – Grampians Region
