

Yarriambiack Shire Council Plan 2021-2025 – Update Quarter 3, 2024-2025

Indicator	Measure	Status – Quarter 3, Year 4 – 2024-25
Council Plan 2021-2025: Strategic Objective One: A Vibrant and Diversified Economy		
Pursue opportunity to enter partnerships to enhance tourism outcomes across the Shire and region.	<ul style="list-style-type: none"> • Successful transition to a Visitor Economy Partnership, securing additional funding to support Tourism across our Shire and Region. • Clearly developed and defined expectations of the VEP outcomes is to be adopted and articulated to Councillors and the community. 	<p>QTR 1,2,3</p> <ul style="list-style-type: none"> • Council is a member of the Visitor Economy Partnership. This initiative has proved successful, with increased engagement, marketing and promotion relating specifically to the Wimmera Mallee occurring. <p>ACTION COMPLETED</p>
Proactively advocate for funding to support economic development and tourism activities to support regional growth and development.	<ul style="list-style-type: none"> • Advocacy priorities are clearly articulated and communicated to politicians and community. • Council's advocacy delivers measurable results. • Assisting the community to advocate for funding that supports community action plan priorities. • Support the expansion of the silo art trail. • Strategy adopted to support economic development. 	<p>QTR 1,2&3</p> <ul style="list-style-type: none"> • The Economic Development Strategy 2023- 2027 was adopted by Council on 23 August 2023. • The Council has developed key advocacy documents that articulate key priority projects which are available on our website – Priority Projects tab. • The Council has been strongly advocating for changes to childcare funding and bonuses/incentives for early childhood professionals to live and work in rural communities. • Advocating for recreational water security to maintain our weir pools and to support tourism across our Shire and region. • Council provided funds towards the silo art redevelopment at Rupanyup, with the works now completed. • Federal Election Promise secured for the Beulah Supermarket rebuild from the Dutton-Littleproud Government.

Yarriambiack Shire Council Plan 2021-2025 – Update Quarter 3, 2024-2025

Indicator	Measure	Status – Quarter 3, Year 4 – 2024-25
Enhance our tourism assets across the Shire, providing an economic benefit to the region.	<ul style="list-style-type: none"> • Strategy adopted to support tourism activities across Shire. • Successful funding and project delivery of key tourism assets. 	<p>QTR 1,2&3</p> <ul style="list-style-type: none"> • Council has engaged an architect to design the accommodation venue at the Hopetoun Former School site to support and grown tourism in the northern end of our Shire. • Tourism Strategy adopted in December 2023. • Hopetoun Caravan Park Masterplan adopted in December 2023. • Minyip Cabins project has been completed. • Warracknabeal Caravan Park amenity block construction works have been completed. • Warracknabeal Courthouse and Wonder Cabinette Project to be completed in Quarter 4 (Monash University delivering project). • New public amenities for Lions Park Warracknabeal scheduled for commencement in coming months and Scott Street Amenities currently under construction and due for completion in Qtr 4.
Support mineral sand mining and renewable energy projects that have a sustainability and environment focus, with the aim of diversifying our economy.	<ul style="list-style-type: none"> • Proactive engagement and support provided, with regular meetings and working group participation that supports sustainable economic development of mining and renewable energy projects across the Shire. 	<p>QTR 1,2&3</p> <ul style="list-style-type: none"> • Regular meetings are occurring with Donald Mineral Sands, the CEO and Council Officers. The Councillors being regularly briefed on progress. • Council Officers and Councillors are being regularly updated on the progress of the wind farm renewable energy projects across the Shire. Key focus on advocacy for our community and to provide updates to our Councillors and advocacy groups on the status of projects. • Recognising Council is not a decision maker in the process of approving mining and renewable energy projects. Key focus of Councillors is ensuring the community benefit schemes proposed provide an overarching, long term benefit to the community where mining and wind farms are established.

Yarriambiack Shire Council Plan 2021-2025 – Update Quarter 3, 2024-2025

Indicator	Measure	Status – Quarter 3, Year 4 – 2024-25
		<ul style="list-style-type: none"> • Council has developed a State Projects page on our website to keep our community informed of planned wind farm projects across our Shire that we are aware of. • Meeting with residents within the Shire who have raised concerns in relation to windfarm and mining projects and impacts on amenity. • Working with Wimmera Southern Mallee Development to advocate for legislative changes for greater protection for our agriculture land. Recognising the importance of the economic benefit agriculture provides to our region, and the countries food security. • Councillors have adopted their Position Statement on Mining, Renewable Energy and Transmission.
Advocate for utilities infrastructure investments across our Shire to support the development of housing opportunities.	<ul style="list-style-type: none"> • Identify sites across the Shire where lack of utilities is a barrier to future housing development, using this as a platform for advocacy and exploring future funding opportunities. 	<p>QTR 1,2&3</p> <ul style="list-style-type: none"> • A Housing Strategy advocacy document has been developed and is available on our website. • The Councillors and CEO have presented to Members of Parliament, and feedback has been provided to Rural Councils Victoria on the urgent assistance required to support the expansion of connecting infrastructure across our Shire. Connecting infrastructure is important to support future housing developments, particularly in the southern end of our Shire where mining is on the cusp of being realised. • Town Structure Planning has commenced for Warracknabeal, Hopetoun and Murtoa in 2024/25 which will provide guidance on how each town should grow, including identifying areas for future housing and infrastructure development. • Council applied for the Commonwealth Housing Support Program for the connecting infrastructure to establish housing at Gibson Street Rupanyup, Hopetoun Former School Site, 34 Anderson Street Warracknabeal and West side of Lake Marma (Sewer and Water extension). Unfortunately, this application was unsuccessful.

Yarriambiack Shire Council Plan 2021-2025 – Update Quarter 3, 2024-2025

Indicator	Measure	Status – Quarter 3, Year 4 – 2024-25
Advocate, partner and seek funding for increased housing across our Shire.	<ul style="list-style-type: none"> • Successfully secure funding for housing across the Shire. If funding received, partner organisation, specialising in housing to build housing stock. • Advocate and partner to seek out further opportunities to develop Council owned land parcels across the Shire. 	<p>QTR 1,2&3</p> <ul style="list-style-type: none"> • A Housing Strategy has been developed and is available on our website. • Council has built four of the seven affordable houses with the Regional Infrastructure Funding. Delivering the final three in Rupanyup, Hopetoun and Warracknabeal in the 24/25 financial year. Rupanyup and Warracknabeal are in construction phase, Hopetoun will have the water main extension laid prior to works being completed. • Council has endorsed gifting a parcel of land in Cromie Street Murtoa to the Murtoa Housing Innovation for future housing development. • Exploring further opportunities via Wimmera Southern Mallee Development and the Wimmera Housing Innovation Project, to establish a registered housing provider and to apply for funding via the Affordable Housing Investment Partnership. • Council is collaborating with local businesses and the Health Service to explore housing advocacy opportunities.
