Subject: Request for Reinstatement of Public Toilet Facilities at Murtoa Swimming Pool

Dear Tammy,

Last month, the Murtoa Swimming Pool Committee made the difficult decision to close the external toilet facilities at the pool due to an inability to meet the financial demands associated with ongoing maintenance and repairs resulting from vandalism. Following this, the Yarriambiack Shire removed the toilets from the Public Toilet Register.

Since that time, circumstances have changed. Following further consultation with the Murtoa Progress Association and the Lake Committee, the Progress Association has agreed to fund any necessary repairs to the facilities. In addition, the Lake Committee has committed to providing in-kind support.

With this renewed community backing, the Pool Committee is confident that the toilets can now be sustainably reopened for public use. We therefore respectfully request that Yarriambiack Shire reinstate the facility on the Public Toilet Register. Additionally, we would be grateful for the resumption of cleaning services by the Shire, to ensure the facilities are maintained to the high standard previously achieved.

We appreciate your consideration of this request and look forward to a positive response.

Yours sincerely,
Kristin Starick
Secretary
