

08-09-2025

Dear Kristin,

At Lake Marma CoM meeting held on Wednesday the 3rd of September, it was agreed that a letter of support be provided to the Murtoa Swimming pool CoM, regarding the reopening of the toilets at the swimming pool, to the public.

The Lake Marma Committee of Management writes to express our support for the reopening of the toilets at the Murtoa Swimming Pool for public use. These facilities are vital to serve those who use the Lake Marma precinct – both visitors and locals.

The Lake Marma CoM is prepared to provide assistance and support to the Murtoa Swimming Pool committee as required, to ensure that these vital public toilets are open to the public.

Yours sincerely

Graeme Chenoweth

Secretary Lake Marma CoM

To The Murtoa Swimming Pool Committee of Management

The Murtoa Events INC writes to express our support for re-opening the toilets at the Murtoa Swimming Pool for Public Use. These facilities serve locals and visitors who use the playground, tennis courts and walking tracks around Lake Marma as well as those who attend community events which Murtoa Events (as a Community Group) organise throughout the year (Big Weekend, Murtoa by Twilight Market, New Year's Eve by the Lake).

We also recognise that the maintenance and servicing of these toilets can be challenging. The Murtoa Events committee support the decision made by the Swimming Pool Committee of Management to make this request with the undertaking from of the Murtoa Progress Association to underwrite the maintenance of the toilets.

With continued support of Yarriambiack Shire Council through regular cleaning of the facilities we believe these toilets can once again be used and available to the public, enhancing accessibility and enjoyment of our shared community spaces.

Kind Regards

Charlie Helyar

President

Murtoa Events Inc.

To the Yarriambiack Shire Council,

We are writing to you on behalf of the Murtoa Playgroup about the reopening of the public toilets at the swimming pool. These toilets have been a necessity when meeting with our young children and parents weekly (as you can imagine there are a lot of toilet stops needed between us)! It is also a popular place for our birthday parties and summer tennis program for our little ones.

It is our wish that the shire will start to clean the toilets again so that we can continue to use what is a great asset to our beautiful town, especially going into the warmer months.

Kind regards,

Murtoa Playgroup

To the Yarriambiack Shire Council,

The Murtoa Tennis club committee is writing to you regarding the reopening of the public toilets in front of the swimming pool. These toilets have been fantastic over the years during our annual tennis competitions.

During the summer, the club runs a tennis clinic for young children around the area who will benefit from a toilet nearby (as well as parent spectators and coaches).

It is our hope that the Yarriambiack Shire Council will recommence the cleaning of the toilets, which they do an incredible job in doing for our thriving community.

Kind regards,

Chris Delahunty

Murtoa Tennis Club President

Dear Kristin,

As convenor of the U3A's Bocce group I would like to express our wholehearted support for your commitment to reopening the public toilets at the Murtoa Pool.

Our group which consists mainly of seniors, regularly use the toilets each Thursday evening during daylight saving when we play Bocce at the Lake Reserve.

Not to have these toilets available between the hours of 4.00pm and 7.00pm would be of considerable inconvenience to our members.

On behalf of the group, I hope you are successful in having the toilets reopened to the public.

Yours sincerely

To the Murtoa Swimming Pool Committee of Management,

The Murtoa Progress Association writes to express our support for reopening the toilets at the Murtoa Swimming Pool for public use. These facilities serve locals and visitors who use the playground, tennis courts, and walking track around Lake Marma, as well as those attending community events.

We recognise that maintenance and servicing can be challenging, and to help make this possible, the Murtoa Progress Association is willing to support the Committee by contributing to costs associated with upkeep and repairs should damage occur. This shared approach can help make sure the toilets remain open and available to the community.

Hopefully with the continued support of Yarriambiack Shire Council through regular cleaning, we believe these facilities can once again be available to the public, enhancing both the accessibility and enjoyment of our community spaces.

Sincerely,

John Delahunty

President
Murtoa Progress Association
