Do you have any other comments regarding the proposed transfer of land? Any proposal for private investment in Shire should always be prioritised. Mr Wilson's project may benefit him but shows confidence in the area as well. Get it done!

Do you have any other comments regarding the proposed transfer of land? I think it supports the infrastructure and development of the aerodrome a resident is going to facilitate the construction the council and the aerodrome doesn't lose any land and will benefit from continued lease at which point when at least expires the hanger will remain as continued infrastructure.
