- c) the Chief Executive Officer must submit an annual report to the Council in relation to the activities and performance of the Community Asset Committee.

6.3 Limitations

The Committee must not borrow money or obtain a bank overdraft without the prior written approval of the Council.

7 COMMITTEE MEMBERSHIP

7.1 General

The Committee may comprise **1 (one)** Councillor, **1 (one)** Council officer (appointed by the CEO) and a minimum of **5 (five)** external members (subject to a maximum of **12 (twelve)** external members). The external members appointed by Council:

- independent members; or
- any combination thereof.

The Committee membership details will be published on Council's website.

¹ The delegation must be to the members of the committee as the committee itself is not an entity.

7.2 Office Bearers

The President will be appointed by resolution of the Council. This will be via the endorsement of the General Meeting minutes, presented as part of an Ordinary Council Meeting Agenda. Office Bearers will be appointed for a two-year term.

The Committee shall elect the following office bearers from among its members:

- a) a Deputy President,
- b) a Secretary, and

- b) the Council is not obliged to fill a vacancy which occurs within the period of three months prior to a Council election if the remaining members of the Committee are sufficient in number to form a quorum.

7.4 Indemnity

Section 43 of the LGA 2020 provides that:

"A Council must indemnify and keep indemnified each Councillor, member of a delegated committee and member of a Community Asset Committee against all actions or claims whether arising during or after their term of office in respect of anything necessarily done or reasonably done or omitted to be done in good faith".

8 INSURANCES

The following provisions apply.

8.1 The Facility

The Facility is covered by Council's policies relating to:

- a) public risk,
- b) building and contents (limited to Council's contents only).

Noting, Council's insurance does not cover tenants' contents.

8.2 Committee Members

Committee members are covered by Council's public liability and personal accident insurance policies.

8.3 Volunteers

All Volunteers are to be approved by Council's CEO.

Volunteers appointed or authorised by the Council are covered by Council's public liability and personal accident policies whilst carrying out activities for and on behalf of the Committee. All volunteers are required to be registered by completing a Volunteer Induction and Registration via Happy HR prior to commencing any task for the Committee to ensure they are covered by the policies.

Asset Committee Members are not classified as Volunteers for the purpose of section 8.3.

Volunteer groups, such as, but not limited to, the Lions Club may perform volunteer working bee activities in accordance with Council’s policies, procedures and occupational health and safety requirements. Volunteer group members are not required to be registered via Happy HR.

9 TENANTS

All tenants are appointed in accordance with the Tenant Selection Policy and Procedure. The CEO delegates the interview and appointment of tenants to the Committee.

The details of the process to be undertaken is outlined in the Woomelang Retirement Units Community Asset Committee Operations Manual.

10 FEE SCHEDULE

The Committee is to make a recommendation to the Council by the 31 March each year to set the weekly rent and bond for each unit.

The fees are to be based off a Certified Valuers report, commissioned by the Council, that is to include the market rate for rental charge. The units are classified as affordable housing, and Council must only charge 80% of the market rate for the units.

11 REMUNERATION AND HONORARIUM

The LGA 2020 does not require councils to remunerate members of community asset committees.

Council does not remunerate members of the committee, and it does not pay honorariums related to this asset committee.

12 REIMBURSEMENT OF EXPENSES

Section 41 of the LGA 2020 provides that Councils must adopt and maintain an expenses policy in relation to the reimbursement of out-of-pocket expenses for Councillors and members of delegated committees.

Section 41 does not refer to community asset committees; and therefore, Council does not reimburse external Committee members expenditure.

13 COMMITTEE MEETINGS

13.1 Governance Rules

Meetings will be conducted in accordance with the Council’s *Governance Rules* subject to any adaptations as necessary.

In this context:

- a) the President must ensure meetings are conducted, where relevant, in accordance with the Council’s Governance Rules.
- b) the Secretary must:
 - i. provide the Council representative with copies of agendas for Committee meetings at least five business days prior to the Committee meeting; and
 - ii. provide the Council representative with copies of the minutes of Committee meetings within ten business days of the Committee meeting; and

- c) Committee members must comply with the conflict of interest and confidentiality provisions of the LGA 2020 and Council’s Governance Rules.

13.2 Attendance

Meetings will be generally held in Woomelang in a public space/building and attendance is encouraged.

A member who is unable to attend a meeting in person may participate by electronic means of communication.

Meetings are not open to the public; however, the Committee may resolve to invite and admit other persons to attend.

Meetings must be held quarterly or:

- a) more often by resolution of the Committee; or
- b) by the President giving Committee members at least seven days’ notice of a special meeting.

The CEO of the Council or his or her nominee may attend Committee meetings as an observer and may be called upon by the Committee for assistance.

14 CONVENING MEETINGS

14.1 Scheduled Meetings

Meetings of the Committee can be called by resolution of the Committee.

14.2 Non-scheduled Meetings

Non-scheduled meetings can be called by:

- a) the President; or
- b) three or more members of the Committee.

The Secretary must give members at least seven days’ notice of non-scheduled meetings.

14.3 Agendas

Agendas for meeting must include, but are not limited to:

- a) apologies,
- b) requests for leave of absence,
- c) requests to attend the meeting by electronic means,
- d) disclosures of conflict of interest,
- e) confirmation of minutes of previous meetings,
- f) presentations by Council staff,
- g) a regular financial report,
- h) confidential items.

14.4 Quorum

A quorum of the committee is at least a majority of the members of the Committee.

14.5 Voting

The following provisions apply:

- a) each Committee member has one vote,

- b) voting is by a show of hands,
- c) voting is not compulsory,
- d) the question is determined in the affirmative by a majority of the Committee members present at a meeting ² at the time the vote is taken voting in favour of the question; and
- e) in the event of a tied vote, the President has a casting vote.

14.6 Minutes

The Secretary shall keep proper minutes of all meetings and provide them to the Council’s representative within seven days of a Committee meeting.

Minutes of meetings must include, but are not limited to:

- e) requests to attend the meeting by electronic means,
- f) disclosures of conflict of interest,
- g) confirmation of minutes of previous meetings,
- h) presentations by Council staff,
- i) a regular financial report,
- j) confidential items.

14.7 Confidentiality

While various confidentiality provisions of the LGA 2020 apply to meetings of Councils and delegated committees, they do not apply to meetings of community asset committees, however under section 47 of the LGA 2020, the CEO is required to establish governance requirements to ensure appropriate standards of probity are met by the Committee.

The definition of “confidential information” is shown in Appendix 2.

Accordingly, in the interests of transparency, the CEO has determined that confidentiality provisions should apply to members of the Committee.

Accordingly, a person who is, or has been, a Councillor, a member of the Committee, must not intentionally or recklessly disclose information that the person knows, or should reasonably know, is confidential information.

14.8 Disclosures of Conflict of Interest

While the conflict-of-interest provisions of section 126 of the LGA 2020 apply to meetings of Councils and delegated committees, they do not apply to meetings of community asset committees (because a community asset committee is specifically excluded from the definition of “delegated committee”), however:

² Accordingly a member who refrains from voting is taken to have voted in the negative.

- a) Section 130(1)(c) refers to conflicts of interest being declared at a meeting of a community asset committee; and
- b) Section 47 of the LGA 2020, requires the CEO to establish governance requirements to ensure appropriate standards of probity are met by the Committee.

Accordingly, in the interests of transparency, the CEO has determined that the conflict-of-interest provisions should apply to meetings of the Committee.

Committee members must therefore:

- a) If attending a meeting (in person or by electronic means) of the Committee disclose any conflict of interest at the commencement of the meeting;
- b) Leave the meeting room while a vote is taken on the matter under discussion; and
- c) If *not* attending a meeting of the Committee, disclose any conflict of interest to the President or the CEO prior to the meeting.

In the case of a meeting conducted by electronic means, a member of Council staff will “suspend” the involvement of the Councillor, Committee member or member of Council staff by disconnecting their audio and visual attendance until the matter has been dealt with.

Appendix 3: Conflict of Interest Declaration Form

14.9 Personal Interest Returns

The LGA 2020 provides for personal interest returns (initial and biannual) to be submitted by specified persons and nominated officers. The provisions do not apply to community asset committees.

14.10 General Meeting

A general meeting of the Committee shall be held between 1 July and 30 September biennially (every two years) at which the Treasurer shall present a statement of receipts and expenditure for the preceding period.

The Secretary shall notify the key Council representative a minimum of five (5) weeks prior to the date of the general meeting so that Council can advertise the date by way of a notice in the public notices section of a newspaper generally circulating in the municipal district and on the Council website.

15 FINANCES

As indicated, the Committee has been created by Council and is not a separate legal entity.

Accordingly, all funds in the Committee’s bank account are Council funds. While the Committee can operate a bank account, whenever the balance in the account exceeds \$30,000 the excess shall be transferred into an account nominated by the Council.

The Committee’s bank accounts are required to have two signatories and internal controls implemented that meet Council’s fraud prevention requirements.

16 POLICE CHECKS

All members of the Woomelang Retirement Units Asset Committee must have a current National Police Check undertaken. This will be facilitated by a nominated

Council Officer. Police Checks are required to be renewed and updated every three years. Council will coordinate the check and is responsible for the fee.

Explanatory Material

Yarriambiack Shire Council Community Asset Committee Members declare and avoid conflicts of interest to help maintain community trust and confidence.

A conflict of interest can be actual, potential or perceived. This relates to circumstances where the committee member could be directly influenced or where it is perceived the committee member might be influenced.

Community Asset Committee Members ensure their personal or financial interests do not influence or interfere with the performance of their role. They seek to ensure the interests of family members, friends, or associates do not influence or could be perceived to influence their performance in the job.

If a Committee Member is unsure about a possible Conflict of Interest they should seek advice from the President of the Community Asset Committee.

What is a Conflict of Interest

A conflict of interest occurs when a committee member has a personal, professional or business interest that is likely to either influence their decisions or interfere with the proper performance of their committee duties. Conflicts of interest are not wrong in themselves, but such conflicts must be disclosed and effectively managed.

A perceived conflict of interest occurs when it may appear to others that personal, professional or business interests have the potential to interfere with the proper performance of official duties (in some circumstances, the appearance of a conflict of interest could itself jeopardise public integrity and must be recorded)

Interests are defined as those interests that can bring benefit or disadvantage to committee members or to others (for example family and friends) whom other committee members or residents may wish to benefit or disadvantage.

What is Delegated Authority

The Conflict Of Interest rules apply to situations where the person is exercising a statutory power, duty or function of the Council under delegation. This includes recruitment processes, resident acceptances, purchase orders and certain planning matters.

Council Procedure

Council and the Committee treats all personal information provided in a Conflict Of Interest Declaration in accordance with the *Privacy and Data Protection Act 2014* (Vic) and the *Public Records Act 1973* (Vic). Following review of the Declaration by the Community Asset Committee President and Secretary it will be securely retained on the Council maintained ShareFile.
